公司简介 Company profile

Tommur Industry (Shanghai) Co., Ltd is one of the leading manufacturers for beer set products and related products in China. We set up new factory to produce Beer Taps, Beer Towers, Beer Kegs, Keg Couplers, P E T Kegs, Keg Connectors, Beer Spears, Gas Regulators, Beverage Taps, Brewing Accessories for domestic market in Yuhuan City. After that we achieved the cooperation with our partner I C T C from Saudi Arabia, we moved our headquarter to Shanghai and founded Tommur Industry (Shanghai) Co., Ltd in 2014. There are 8 sets extrusion producing lines and some modern injection machines in our factory. Yuhuan factory mainly produces Beer Taps, Keg Couplers, Beverage Spigots, Keg Connectors, Beer Spears. The whole process of production, management, and after-sales service is organized by the company. The quality of our products is in leading level both at home and abroad, which is stable and reliable. Since 2015, these products have been rated as one of the popular beer set products, Till now, its sales network has spread over more than 20 provinces and cities in China and some products are exported to more than 80 countries in Europe, North America and South American countries, Middle East, Africa, Southeast Asia and other countries.

Welcome to Tommur Industry (Shanghai) Co., Ltd. We hope to get your good cooperation in future.
